

ERRATUM NOTICE FOR THE CORRECTION OF ERROR ON FUNCTIONALITY SCORE SHEET.

The appointment of the service provider to render electrification service for Barcelona, Maphutle, and Praktiseer Ext 3 villages for 321 and 427 households, respectively.

Dear bidders, please be informed that the Financial viability and Proven track record requirement is amended on the tender advertised (FTM/T14/20/21 and FTM/T15/20/21) on e-tender and Sekhukhune times.

As well as the functionality score sheet for Praktiseer Ext 3 (FTM/T17/20/21), the requirement for the registered construction health and safety manager under the Specific Personnel Knowledge section has been amended, apologies for any inconvenience this may have caused.

Furthermore, the closing dates have been extended due to the inconvenience caused. See below the revised closing dates.

Electrification of Barcelona and Maphutle Village Closing date: 31 March 2021

Electrification of Praktiseer Ext 11 and Praktiseer Ext 03 Closing date: 06 April 2021
