

#### Mayor`s Easter Message

On behalf of the Fetakgomo Tubatse Local Municipality I would like to wish everybody a joyous Easter weekend. The Easter weekend is known for the Christian pilgrimage where most churches converge to celebrate the death and the resurrection of our Lord and saviour Jesus Christ. For others it is an opportunity to explore the nature and the beauty of our landscape and to rest since the beginning of the New Year.

We would like to wish everybody a safe journey on our roads especially those which will be leading to major destinations like Moria and our neighbouring states. We call upon all road users to be responsible and observe all the rules of the road. We are concerned about the fatalities that are high especially this period. It should be a collective responsibility of all road users to reduce the carnage on our roads and to always remember that ***Drinking and texting while driving*** is dangerous.

Those who will be taking longer trips must make sure that their vehicles are in good condition as all our law enforcement agencies will be monitoring all aspects on the roads.

Please be cautious on the road and Arrive Alive.
