4. PERFORMANCE OBJECTIVES

- 4.1 Annexure "A", the Performance Plan sets out:
- 4.1.1 the performance indicators and targets that must be met by the Employee; and

- 4.2 The performance indicators and targets reflected in Annexure "A" are set by the Employer in consultation with the Employee, and include key objectives; key performance indicators; target dates and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Municipality's IDP.
- 4.5 The Municipality will make available to the Employee such support staff as the Employee may reasonably require from time to time to assist him to meet the performance objectives and targets established in terms of this Agreement; provided that it will at all times remain the responsibility of the Employee to ensure that he complies with those performance obligations and targets.
- 4.6 The Employee will at his request be delegated such powers by the Employer as may in the discretion of the Municipality be reasonably required from time to time to enable him to meet the performance objectives and targets established in terms of this Agreement.

5. PERFORMANCE MANAGEMENT SYSTEM

 - (ii) An indicative rating on the five point scale should be provided for each CCR
 - (iii) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
 - (iv) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.
