IMPORTANT NOTICE:

Due to a potential conflict between certain sections of the Municipal Property Rates Act (MPRA) and the Protection of Personal Information Act (Act No. 4 of 2013) (PoPIA) regarding the publishing of valuation roll particulars as required in terms of section 48(2) and related Annexure 1 of the Regulations to the MPRA, the municipality has been advised to conceal or redact the names of property owners from the valuation roll when opening it for public inspection and when publishing it on a website, as contemplated in section 49 of the MPRA. This will allow municipalities not to be in contravention of the PoPIA.
