Kgosi Kgaphola Tserere Johannes affectionately known as Mmaswi A Phahlana from ward 2 Mphanama village passed away on Saturday 13 September 2014 after a short period of sickness.

The loss of a father is a painful moment for anyone as it is the loss of the head and the support strength of the family..It is the father to whom the children look up to for advice and help of any sort.

Democrats and activists in Fetakgomo and South African shall sorely miss this outstanding son of our people. Our nation is the poorer without him.
