

MAYOR LEAD THE DELEGATION TO ETHEKWENI MUNICIPALITY.

Fetakgomo Mayor Cllr Sefala Kukie Raesetja Elizabeth will lead the delegation to EThekweni municipality to learn good practice and benchmarking on Mayor education trust fund.

Among the delegation, we have Municipal Manager Mr ND Matumane; Director Corporate services Mr Phasha MI and Executive Committee member Cllr Seroka KA.

The study tour is scheduled as follows:

Date-02-04 September 2014 Ethekeweni Municipality (Durban)

The objective of the Mayoral Education Trust Fund is to assist children and students from poor background with funding their studies at tertiary institution. It will also assist learners with school uniforms and shoes.

Therefore the study will deal with Mayoral Education Trust Fund establishment process, its operations, legislations, board of directors, registration among others.

As the Fetakgomo Municipality we have an obligation to acknowledge outstanding performance of individual in their grade 12 results which recur annually. Unfortunately in spite of funding interventions done by Fetakgomo bursary endeavour and other external funders eg NSFAS many capable learners are left astray to grasp educational opportunities because of lack of funds.

Together let us move Fetakgomo forward.
