ADDENDUM No. 01

This Addendum forms part of the Tender Document.

Each Tenderer is required to acknowledge receipt and acceptance of this Addendum and to submit the completed addendum with the Tender.

No pages may be removed from the Addendum.

Item 1: Tender Document

Changes in the tender document

The document has been changed and a new BOQ is hereby issued replacing the one in the initial tender document.

The Works to be carried out by the Contractor under this Contract consists of:

- Renovations of the existing ablution facility;
- Demolition of existing office building
- Demolition of existing concrete palisade fence
- Demolition of existing hawker stalls and sheds
- Construction of a double storey building which will have offices and boardroom;
- Construction of the new Clearview fence;
- Construction of new Hawker stalls;
- Rehabilitation of the parking area which will entail ripping and construction of the base and installation of paving blocks;
- Installation of roofing covers to taxi loading and offloading bays;
- Rehabilitation of the existing roof covers of the loading and offloading bays;
- Installation of the new stormwater system which comprises grid inlets and underground parking.
- Rehabilitation to the stormwater drainage system outside the taxi rank site
- Correction of defects in the works in accordance with the requirements specified in the contract documents.

Item 2: Change in the closing date of the tender

The closing date of the tender is hereby changed from 29 April 2025 at 12H00 to **13 May 2025 at 12H00.**
