

FETAKGOMO TUBATSE LOCAL MUNICIPALITY

Public notice

Grant funding opportunity

The Fetakgomo-Greater Tubatse Local Municipality (LIM476) through its Local Economic Development & Tourism (LEDT) department has in place the LED Strategy. The LED Strategy identified various programmes that are aimed at supporting local SMMEs and Cooperatives with financial and non-financial support. The LED Plan identifies Local SMMEs, Local Cooperatives, Local Youth, Women & Persons with Disability SMMEs to form part of this support programmes aimed at creating an enabling environment for local businesses to thrive through the acquisition of assets for the reduction of costs. In its effort to address the key priorities of government and the job drivers as identified in the National Development Plan.

The Fetakgomo Tubatse Local Municipality invites all eligible Local SMMEs, Local Cooperatives, Women & Persons living with disability, and youth SMMEs to apply for local economic development (led) grant funding for agriculture.

As set out in Council Resolution No. OC25/2021. The allocation of grant funding is primarily aimed at stimulating pro-poor growth whilst strengthening competitive local advantage and paving the way for sustainable economic growth. Moreover, the grant funding support will ensure that emerging businesses increase their outputs and reducing input costs and thereby accessing markets at competitive prices.
