 - (b) Assessment of the CCRs
 - (i) Each CCR should be assessed according to the extent to which the specified standards have been met.
 - (ii) An indicative rating on the five-point scale should be provided for each CCR
 - (iii) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
 - (iv) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.

Overall Rating

- (i) An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisals.
- (ii) The assessment of the performance of the employee will be based on the following rating scale for KPA's and CCR's (i.e the following table will be used in determining the payment of the reward):

PERFORMANCE APPRAISAL OF KPAs AND CCRs			
LEVEL	DESCRIPTION	RATING	ASSESSMENT SCORE
Level 5: Outstanding Performance	Performance far exceeds the standard expected for the job in all areas of the manager. Level 4: Performance significantly above expectations	Performance is significantly higher than the standard expected for the job in all areas. The manager has achieved above fully effective results against more than half of the performance criteria and indicators specified in the Performance Plan and fully achieved all others throughout the year.	4	133 - 166
Level 3: Fully effective	Performance fully meets the standard expected for the job in all areas. The manager has achieved effective results against all significant performance criteria and indicators specified in the Performance Plan and may have achieved results significantly above expectations in one or two less significant areas throughout the year.	3	100 - 132
Level 2: Performance not fully satisfactory	Performance is below the standard required for the job in key areas. The manager has achieved adequate results against many key performance criteria and indicators specified in the Performance Plan but did not fully achieved adequate results against others during the course of the year. Improvement in these areas is necessary to bring performance up to the standard expected.	2	67 - 99
