Ladies and gentlemen

It is a sad moment me to stand here this morning on behalf of the Municipality to pass our condolences on the passing of Cllr Mamogale. We are still shocked of this incident and we do not have enough words to express sympathy with the family, relatives and friends.

I have known Cllr Mamogale for many years serving in various structures and capacities until when the ANC deployed us in the Fetakgomo Tubatse Council to serve as councillors. We have spent so many years in the structures of the movement and our purpose was to fulfil the mandate of changing the lives of our people to better conditions.

When I re-joined the Fetakgomo Tubatse Municipal Council in 2019, I found Cllr Mamogale serving as the head of Budget and Treasury portfolio. The financial situation of the Municipality was in a dire situation and we both agreed to work together to change the situation.

It has not being an easy road but collectively we managed to stabilise the general operations of Council.

He was one of the loyal members of the Executive Committee who was ready to execute and task given to him to perform. In many occasions, he was requested to stand in as the Acting Mayor and he performed his duties diligently and this show the commitment he had for the community.

We knew that we could rely to him many times due to this calm and honest character. We won so many battles together because people understood and respect his statue. Many Councillors can attest to that because they also had a belief in his capability and confidence in him.

Cllr Mamogale leaves us when the Municipality is starting to see improvement in the financial situation as we see our people paying for various services. This is attributed to him as the leader of Budget and Treasury together with portfolio committee members and the officials. We can only hope that those left behind can take this baton and move forward to create a sustainable institution.

It is going to be difficult to fill void left by Cllr Mamogale in his family, his political home the ANC and the Council where we were expecting much from him. I am still shattered and devastated by the passing of this hero and I trusted and entrusted him with many responsibilities which he executed without complaining.
