**Moswara Marapo**

**Hlogo ya sekolo**

**Magoši**

**Setšhaba ka moka le Bahlomphegi**

**Thobela,**

Ke leboga sebaka seo ke se filwego, sa go bolela le barutwana sekolong sa gešo sa Magobanye. Lehono re kopane fa, re kopantšhwa ke maatla a thuto le go tšweleletša bohlokwa bja yona.

**Moswara Marapo**

Ke bona gole bohlokwa gore pele ke elela ka polelo ke laetše dinthla tše pedi - tše tharo mabapi le maemo a bjale ka mo nageng. Kgwedi ye ya June, ke kgwedi ya baswa, kwišišo ya ka ke gore barutwana ke baswa. Bjale ka baswa ba ka mo nageng le tsebeng gore le baetapele ba ka moso. Naga ye e itshephile lena ka ge ele gore išago ya Afrika Borwa e matsogong a lena bjalo ka barutwana ba Magobanye le baswa ba Afrika Borwa.

Thuto e bohlokwa, lehono Afrika Borwa e moo elego gona ka lebaka la thuto. Mo mengwageng ya peleng ya apartheid (kgatelelo), go be go se bobebe go batho baso go fihlelela dithuto go akaretšwa le thekgo ya mašeleng. Efela mabaka bjale a fetogile, go nale dibaka tse ntšhi(opportunities). Go nale

dikgoro tša mmuso tše ntšhi, tšeо di abago di bursaries, go akaretšwa le makala a mangwe a praevete.

Tubatse e humile ka di maene, ka ka moo masepala o hlohletšago barutwana šomiša dibaka tšeо ele ge ba beakanya išago ya bona.

Bjale ka mmasepala re tutueletša barutwana ka moka, go tsena sekolo ka botshephagi, ka ge thuto ele bokamoso bja batho ka moka ka mono nageng. Le gona, go bohlokwa gore bjale ka barutwana le itsebe le ikwisiše gore le nyaka eng, le nyaka bokamoso bja lena bo tšeа lemanoga le lefe.

Lemogang gore diphetho tšeо re di tšeago lehono, ke tšona di tlogo re beakanyetša bokamoso bja rena. The decision you make today, determines your future and your destination. Ge o tšeа sephetho sa go tsena sekolo lehono, o tsebe gore o thomile go beakanya bokamoso bja gago.

Ke hlohleletsa barutwana, go tsena sekolo, go hlompha barutiši ba bona, gore le barutiši ba kgone go šoma le lena gabotse, go dira mošomo wa sekolo ka lerato, go hlompha batswadi ba bona, le go ba la phišagalelo ya go humana tshedimošo malebana le dibaka tšeо di lego gona tša thuto le kadimošo ya mašeleng a praevete le a setšhaba.

Le barutiši le bona, bana le tema ye kgolo yeo ba tshwanelago ke go e kgatha go ageng bokamoso bja barutwana le setšhaba kakaretšo.

Batswadi b arena, bana bat soma thekgo ya lena. Are hlohleletšeng bana go tsena sekolo le go hlalosa bohlokwa bja thuto.

Setšhaba ka moka se nale maikarabelo, a re gateng ka mošito o tee o ageng setšhaba sa thuto. Ka thuto dilo ka moka di a kgonagala.

Moswara Marapo,

Ke rata go rumka gore, Kgwedi ye ya baswa a re e somišeng go phatlalatša molaetša malebana le bohlokwa bja thuto, le tema yeo e kgathilwego ke baswa ba 1976.

Ke a leboga.

dipeakanyo tša ditšhelete mengwageng ye e fetilego go tloga ka 2006/2007 le 2007/2008.

Ngwageng wa 2006/2007 re kgonne go fihlelela tše di latelago:

Masepala o šomišitše dimillione tše masome hlano (R5m) diprojekeng tša kaboya meetse, mafelong ao a latelago Malokela, Penge, Mašamothane, Ngwaabe, Bothashoek, Ga-Motodi le Praktiseer.

Gwa šomišwa gape dimillione tse tshelago (R6m), go lokiša le go kaonafatša ditsela tša dinaga-magae, mola dimillione tše seswai (R8m) di šomišitšwe go kaonafatša ditsela tša metsesetoropo.
